Brand : **Tychem DuPont**  
Reference : **A956362**  
Packing quantity : **25 PCE**  
Country of Origin : **Outside Europe**

- Dupont™ Tychem® 2000 C shin-length apron, model PA30L0.
- Apron with ties at the neck and waist.
- Available in yellow, in one size.
- Tychem® 2000 C is used for splash and pressurised splash protection in a variety of industrial environments, including pulp and paper manufacturing, food processing, and the chemical and pharmaceutical industries.
- Certified according to Regulation (EU) 2016/425.

  

- Partial body chemical protection clothing, Category III, Type PB [3-B].
- Tychem® accessories can help to offer enhanced protection for parts of the body that are more exposed to hazardous substances.
- Tychem® 2000 C clothing and accessories utilise the strength of Tyvek® and a polymeric barrier coating to offer good protection against chemical permeation for a wide range of inorganic chemicals and bio-hazards (even when pressurised).

n Specially designed for use with Tychem® clothing.

i Custom Code : 62171000
